

EXTENDED BOWEL PREP – AFTERNOON PROCEDURE

STOP eating anything with **seeds, grains, wholemeal, nuts** or **dried fruits** - **5 days before colonoscopy**

- For a successful colonoscopy the bowel must be completely clean so important findings are not missed. Please follow these instructions carefully.
- The preparation causes diarrhoea that should become clear when the bowel is clean.
- Once you start preparation medicine, remember to drink lots of clear fluids to avoid dehydration.

Bowel preparation:

You will need to purchase 2 boxes of **MOVIPREP**

This is available from most pharmacies without a prescription.
